

REVENGE BID

FOLLOWING their 2-0 defeat at Claremont Road on September 9, Wycombe Wanderers will be aiming for revenge when they stage the return game against Hendon tonight (Tuesday) at Loakes Park.

The first meeting between the two clubs was a game of two contrasting halves. Wycombe had several chances in the first but failed to find the net and then after the interval Hendon scored two goals in 12 minutes. The first came from Rod Haider — a fine individual effort — while Bobby Childs hit the second.

Hendon were unbeaten in the league at the time but since then they have lost two matches on successive Saturdays. Leaders Enfield ended their record with

a 1-0 win at Southbury Road while on Saturday Hayes clinched a surprising 1-0 win at Claremont Road.

With Enfield involved in the F.A. Cup, Hendon's defeat meant they missed their chance to take over the Division One leadership. They are currently in second place one point behind the leaders, who have a game in hand. Hendon are one of only two clubs who have a clean sheet in the sportsmanship scheme. Hitchin are the other club with a 100 per cent record.

Hendon, who include former Wanderers Alan Phillips and Gary Hand in their line-up, may include 21-year-old defender Raigan in the side. A South of England schoolboy cap, Raigan was recently signed on contract and has been playing at centre back with Phillips.

Wanderers may be without regular goalkeeper John Maskell, who has missed the last three matches due to an operation. Dave Bullock will continue should Maskell not be fit in time.
